

## **WARRANTY**

### **Model: 55-AQUAJET RV and ES Series**

**Aquatec Water Systems, Inc.** ("Aquatec") warrants its Model Aquajet RV Pumps (Part Numbers 55-AQUAJET-ORV, 55-AQUAJET-ARV, 55-AQUAJET-OES, and 55-AQUAJET-AES) to be free from defects in material and workmanship under the following terms:

The duration of the warranty will be for a period of 2 years from date of shipping from an Aquatec warehouse. Aquatec's obligation under this warranty shall be limited to, replacing or repairing at Aquatec's discretion, any such product or part which is returned to Aquatec's factory with a Return Material Authorization Number (RMA No.) and upon evaluation, product is deemed defective under the terms of warranty to Aquatec's satisfaction. Transportation charges will have to be pre-approved by Aquatec or prepaid by customer. No credit will be allowed against future purchases for items returned as defective under the terms of the warranty.

This warranty does not extend to any products, which have been altered or modified outside the Aquatec factory, nor does it apply to units that are returned in an unassembled condition. Furthermore, this warranty does not cover any damage or defects occurring from customer's failure to follow pump label instructions or Operational and Installation Guidelines. The warranty guarantees that pump will perform to Aquatec's flow and pressure specifications through out the life of this warranty, under normal operating conditions. The warranty does not cover wear, appearance, misapplication or external water damage. If the returned product is not found to be defective under the terms of this warranty, customer will be responsible for repair or replacement costs.

This is a Limited Warranty. It covers the product only and the extent of the coverage is limited only to the cost of the product. As the manufacturer has no control over shipping, handling and installation, the warranty cannot cover water damage, or any other damage, caused by a leak or other malfunction.

This warranty is in lieu of all other warranties, expressed or implied, and no person is authorized to give any other warranty or assume obligation or liability in Aquatec's' behalf. Aquatec shall not be liable for any indirect, incidental or consequential damages of any kind incurred by the reason of the use or sale of any defective product or part.
